REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Applicant's arguments concerning claims 1, 15, 24 and 35, found on pages 12 and 13 of the amendment filed on 2/10/05 are considered to be persuasive. Prior art was not found that explicitly teaches or fairly suggests wherein the preference indicates that each communication path should be chosen at least once as outlined in claims 1, 15, 24 and 35. This limitation is considered allowable only when the claim is read as a whole, in combination with all other limitations of the base claim and any intervening claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc M Duncan whose telephone number is 571-272-3646. The examiner can normally be reached on M-F 9:00-5:00.
